We're very proud of our extensive programme of weekly activities at Muscliff, which is organised and led by three Activities & Wellbeing Coordinators.

Our sensory room contains a Tovertafel Magic table which we encourage residents to use with staff or with visiting family, and we have 4 portable sensory units which can be taken to less mobile residents and enjoyed in their rooms.

We consider ourselves to be one big family at Muscliff Care Home and we encourage visits

From day trips to local places of interest to arts and crafts afternoons, from singers who visit our Home to themed days, there's something for everyone. But it's not just about entertaining our residents. We know that taking part in a broad range of activities and being able to continue with lifelong hobbies and interests, keeps our residents active and can help them live a more stimulating life.
